**INDEPENDENT AUDITOR'S REPORT**

March 1, 2019

To the Board of Directors of the  
Monroe Tobacco Asset Securitization Corporation:

**Report on the Financial Statements**

We have audited the accompanying financial statements of the governmental activities and major fund of Monroe Tobacco Asset Securitization Corporation, (MTASC), a blended component unit of the County of Monroe, New York, as of and for the years ended December 31, 2018 and 2017, and the related notes to the financial statements, which collectively comprise MTASC's basic financial statements as listed in the table of contents.

***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

***Auditor's Responsibility***

Our responsibility is to express opinions on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

## INDEPENDENT AUDITOR'S REPORT

(Continued)

### **Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and major fund of MTASC, as of December 31, 2018 and 2017, and the respective changes in financial position thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **Required Supplementary Information**

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 3-6 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated March 1, 2019 on our consideration of MTASC's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of MTASC's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering MTASC's internal control over financial reporting and compliance.

**MANAGEMENT'S DISCUSSION AND ANALYSIS (UNAUDITED)**  
**DECEMBER 31, 2018 AND 2017**

---

The following Management's Discussion and Analysis (MD&A) provides a comprehensive overview of the Monroe Tobacco Asset Securitization Corporation's (MTASC) financial position as of December 31, 2018, 2017 and 2016, and its changes in financial position for the years then ended. This MD&A should be read in conjunction with the financial statements and related footnotes of MTASC, which directly follow the MD&A.

**General Overview**

MTASC is a special purpose, bankruptcy remote local development corporation organized under the Not-For-Profit Corporation Laws of the State of New York (the State). MTASC was established on May 11, 2000; however, there were no substantive operations until August 15, 2000. MTASC is an instrumentality of, but separate and apart from the County of Monroe, New York (the County). Pursuant to a Purchase and Sale Agreement with the County, the County sold to MTASC all of its future rights, title and interest in the Tobacco Settlement Revenues (TSRs) under the Master Settlement Agreement (MSA) and the Decree and Final Judgment (the Decree). The MSA resolved cigarette smoking related litigation between the settling states and the Participating Manufacturers (PMs), released the PMs from past and present smoking related claims, and provided for a continuing release from future smoking related claims, in exchange for certain payments to be made to the settling states, as well as certain tobacco advertising and marketing restrictions, among other things. The Decree, which was entered by the Supreme Court of the State, allocated to the County a share of the TSRs under the MSA. The future rights, title and interest of the County's share were sold to MTASC and were financed by the issuance of bonds.

**Overview of the Financial Statements**

The financial statements of MTASC have been prepared in accordance with accounting principles generally accepted in the United States as prescribed by the Governmental Accounting Standards Board. The financial statement presentation consists of the following four basic financial statements:

- Statement of Net Position
- Statement of Activities
- Governmental Fund Balance Sheet – Debt Service Fund
- Statement of Governmental Fund Revenues, Expenditures, and Change in Fund Balance – Debt Service Fund

The Statement of Net Position and the Statement of Activities are prepared using the economic resource measurement focus and the accrual basis of accounting. Revenues, expenses, assets and liabilities resulting from exchange and exchange-like transactions are recognized when the exchange takes place. Revenues, expenses, assets and liabilities resulting from non-exchange transactions are recognized when the amounts to be received are measurable and collection is probable. The Governmental Fund Balance Sheet – Debt Service Fund and the Statement of Governmental Fund Revenues, Expenditures and Change in Fund Balance – Debt Service Fund are presented using the current financial resources measurement focus and the modified accrual basis of accounting. These policies are more fully described in the accompanying notes to the basic financial statements.

The Statement of Net Position presents all of MTASC's asset and liability information, with the difference between the two reported as net position. Restricted net position is based on externally imposed conditions and consists of funds in the debt service and liquidity reserve accounts. These accounts were established to provide for debt service payments for at least one year in the event of insufficient revenues. All other net position is considered unrestricted.

### Overview of the Financial Statements (Continued)

The Statement of Activities presents all of MTASC's revenues, both program and general, expenses, and transfers.

The Governmental Fund Balance Sheet – Debt Service Fund presents MTASC's assets, liabilities and fund balance. This statement uses the debt service fund, a governmental fund type, to report its financial position.

The Statement of Governmental Fund Revenues, Expenditures, and Change in Fund Balance – Debt Service Fund presents the changes in financial position of the debt service fund.

### Financial Highlights

MTASC reported liabilities in excess of assets of \$251.2 million as of December 31, 2018. MTASC's net position decreased by \$6.7 million from the prior year noting total expenses of \$16.6 million exceeded total revenues of \$9.5 million. MTASC reported liabilities in excess of assets of \$244.4 million as of December 31, 2017, which was a decrease in net position of \$7.3 million from the prior year.

MTASC made the 2018 debt service payments along with a Turbo (principal) payment towards the Series 2005B Bonds with the TSR's received. There were no new debt obligations issued in 2018 or 2017.

#### Condensed Statement of Net Position (In millions)

	<u>2018</u>	<u>2017</u>	<u>2016</u>
Total assets	\$ <u>22.39</u>	\$ <u>22.64</u>	\$ <u>23.51</u>
Bonds payable	272.78	266.31	259.85
Other liabilities	<u>0.77</u>	<u>0.77</u>	<u>0.77</u>
Total liabilities	<u>273.55</u>	<u>267.08</u>	<u>260.62</u>
Net position	\$ <u>(251.16)</u>	\$ <u>(244.44)</u>	\$ <u>(237.11)</u>

### Total Assets

The total assets decreased from 2017 to 2018 by \$247 thousand and from 2016 to 2017 by \$870 thousand. The continuous decreases in total assets are primarily attributed to the yearly 5% decrease in estimated accounts receivable based off of conservative efforts to match revenues to market variations in tobacco revenue.

### Total Liabilities

The total liabilities increased by \$6.5 million from 2017 to 2018. This increase is due to the value of the capital appreciation bonds (Series 2005 D, E & F) increasing by \$7.2 million, offset by a Turbo payment of \$775 thousand made towards the Series 2005B bonds. The total liabilities increased by \$6.5 million from 2016 to 2017. This increase is due to the value of the capital appreciation bonds (Series 2005 D, E & F) increasing by \$6.71 million, offset by a Turbo payment of \$310 thousand made towards the Series 2005B bonds.

## Financial Highlights (Continued)

### Condensed Statement of Activities (In millions)

	<u>2018</u>	<u>2017</u>	<u>2016</u>
Total expenses	\$ (16.56)	\$ (16.12)	\$ (15.94)
Program revenues - tobacco settlement	9.55	8.65	12.44
General revenues - investment income	<u>0.30</u>	<u>0.14</u>	<u>0.04</u>
Change in net position	(6.71)	(7.33)	(3.46)
Net position - beginning of year	<u>(244.44)</u>	<u>(237.11)</u>	<u>(233.65)</u>
Net position - end of year	<u><u>\$ (251.15)</u></u>	<u><u>\$ (244.44)</u></u>	<u><u>\$ (237.11)</u></u>

#### Expenses

Expenses incurred in 2018 were comparable to those incurred in 2017. Expenses incurred in 2017 were also comparable to those incurred in 2016.

#### Revenues

The 2018 total revenue was more than 2017 primarily due to higher actual tobacco settlement revenue received than the estimated accounts receivable. The 2017 total revenue was less than 2016 primarily due to the TASC estimating approximately \$2.8 million less in TSRs as the payments are historically decreasing.

#### Financial Analysis of MTASC's Fund Financial Statements

The focus of MTASC's governmental fund reporting is to provide information on near-term inflows, outflows and balances of spendable resources.

As of December 31, 2018, MTASC's debt service fund reported fund balances of \$13.3 million, a slight increase of \$0.2 million from 2017. The increase is due to MTASC receiving a higher cash receipt for the tobacco settlement revenue in the current year and while the expenses also increased, the increase in revenue outpaced the increase in expense, causing the overall increase in the fund balance at year end.

As of December 31, 2017, MTASC's debt service fund reported fund balances of \$13.1 million, a slight decrease of \$0.3 million from 2016. The decrease is due to MTASC receiving the settlement funds of \$10.2 million in the prior year and also the paralleled decrease in the debt service principal turbo payment which decreased from \$11.14 million to \$0.31 million from 2016 to 2017.

**Debt**

Debt obligations of MTASC as of December 31, 2018 and 2017 consist of the MTASC Series 2010 Tobacco Settlement Asset-Backed Bonds (which replaced the Series 2005C as part of a forward purchase contract on June 1, 2010), the MTASC Series 2006 Tobacco Settlement Asset-Backed Bonds and the remaining balance of the MTASC Series 2005 Tobacco Settlement Asset-Backed Bonds.

The total amount of the Series 2010 bonds, Series 2006 and Series 2005 bonds outstanding at December 31, 2018 was \$210.10 million. None of the outstanding Series 2010, Series 2006 or Series 2005 bonds were considered current since none were due within twelve months of year-end.

All of MTASC's turbo bonds are subject to prepayment from Turbo Redemption Payments. Turbo Redemption Payments are made from collections (other than partial and lump sum payments) in excess of the amount needed to pay certain operating expenses. To the extent possible, the Turbo Redemption Payments will amortize the Series 2005 bonds, Series 2006 bonds and Series 2010 bonds earlier than their maturity dates at their accreted values. Payments of \$0.775 million and \$.31 million were made in 2018 and 2017, respectively, against the Series 2005 bonds.

Payments on the outstanding capital appreciation bonds are based on the accreted value of the capital appreciation bonds at their stated maturity. The accretion of these capital appreciation bonds over their life results in the recognition of substantial annual costs until the capital appreciation bonds are redeemed. Reference should be made to the Bonds Payable footnote in the financial statements for a summary of the required principal and interest (which includes accretion of the capital appreciation bonds) payments.

Details on the debt outstanding are provided in Note #4 to the financial statements.

**Contacting Monroe Tobacco Asset Securitization Corporation's Management**

This financial report is designed to provide a general overview of MTASC's finances and to demonstrate MTASC's accountability for the money it receives. If you have questions about this report or need additional financial information, contact the Treasurer, Monroe Tobacco Asset Securitization Corporation, at 39 West Main Street, Room 402, Rochester, New York, 14614.

**MONROE TOBACCO ASSET SECURITIZATION CORPORATION**  
**(A Blended Component Unit of the County of Monroe, New York)**

**NOTES TO BASIC FINANCIAL STATEMENTS**  
**DECEMBER 31, 2018 AND 2017**

---

**1. ORGANIZATION**

Monroe Tobacco Asset Securitization Corporation (MTASC) is a special purpose, bankruptcy remote local development corporation organized under the Not-For-Profit Corporation Law of the State of New York (the State). MTASC was established on May 11, 2000; however, there were no substantive operations until August 15, 2000 as discussed herein. MTASC is an instrumentality of, but separate and apart from the County of Monroe, New York (the County). MTASC will have not less than three nor more than five directors consisting of two ex-officio positions including the Executive of the County and the Director of Finance - Chief Financial Officer of the County, up to two additional directors and one independent director. Although legally separate from the County, MTASC is a component unit of the County and, accordingly, is included in the County's basic financial statements as a blended component unit.

On August 15, 2000, pursuant to a Purchase and Sale Agreement with the County, the County sold to MTASC all of its future rights, title and interest in the Tobacco Settlement Revenues (TSRs) under the Master Settlement Agreement (MSA) and the Decree and Final Judgment (the Decree). The MSA resolved cigarette smoking related litigation between the settling states and the Participating Manufacturers (PMs), released the PMs from past and present smoking related claims, and provides for a continuing release from future smoking related claims, in exchange for certain payments to be made to the settling states, as well as certain tobacco advertising and marketing restrictions, among other things. The Decree, which was entered by the Supreme Court of the State, allocated to the County a share of the TSRs under the MSA. The future rights, title and interest of the County's share were sold to MTASC.

MTASC's purchase of the County's future rights, title and interest in the TSRs was financed by the issuance of bonds. A Residual Certificate exists that represents the County's entitlement to receive all amounts required to be distributed after payment of debt service, operating expenses, and certain other costs by MTASC as set forth in the Amended and Restated Indenture (the Indenture). Payments on the Residual Certificate from TSR collections are subordinate to payments on the bonds and payment of certain other costs specified in the Indenture. Excess TSRs not required by MTASC to pay various expenses, debt service or required reserves with respect to the bonds are transferred to the Monroe Tobacco Tax Stabilization Trust (the Trust), as owner of the Residual Certificate. The County is the beneficial owner of the Trust and thus the funds received by the Trust will ultimately transfer to the County.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Measurement Focus, Basis of Accounting, and Financial Statement Presentation**

MTASC's financial statements are prepared in conformity with accounting principles generally accepted in the United States as prescribed by the Governmental Accounting Standards Board (GASB). MTASC's government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### Measurement Focus, Basis of Accounting, and Financial Statement Presentation (Continued)

MTASC's fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, MTASC considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures and claims and judgments, are recorded only when payment is due.

The major governmental fund is the Debt Service Fund. The Debt Service Fund accounts for the resources accumulated and payments made for operations and principal debt service on long-term general obligation debt.

### Net Position

Net position in government-wide financial statements is classified as net investment in capital assets, restricted and unrestricted. Restricted net position represents constraints on resources that are either externally imposed by creditors, grantors, contributors, laws or regulations of other governments, or imposed by law through State statute or are otherwise unavailable for appropriation by the primary government and component units.

As of December 31, 2018 and 2017, these restrictions included:

- Debt Service - represents resources that have been legally restricted for debt service payments that will be made in future periods.

Unrestricted net position is net position that is not restricted, but which may be internally designated by the Board of Directors. At December 31, 2018 and 2017, the amount of unrestricted net position deficit was (\$264.2) million and (\$257.4) million, respectively.

### Fund Balance

Fund balance is composed of five classifications designed to disclose the hierarchy of constraints placed on how fund balance can be spent. The following classifications describe the relative strength of the spending constraints placed on the purposes for which resources can be used:

- Nonspendable - amounts that are not in spendable form (such as inventory and prepaid expenditures) or are legally or contractually required to be maintained intact;
- Restricted - amounts constrained to specific purposes by their providers (such as grantors, bondholders, and higher levels of government), through constitutional provisions, or by enabling legislation;
- Committed - amounts constrained to specific purposes by MTASC itself, using its highest level of decision-making authority; to be reported as committed, amounts cannot be used for any other purpose unless MTASC takes the same highest-level action to remove or change the constraint;

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### Fund Balance (Continued)

- Assigned - amounts MTASC intends to use for a specific purpose; intent can be expressed by the governing body or by an official or body to which the governing body delegates the authority;
- Unassigned - amounts that have not been assigned to another fund or are not restricted, committed, or assigned to specific purposes within the debt service fund.

When fund balance resources are available for a specific purpose in more than one classification, it is MTASC's practice to use the most restrictive funds first in the following order: non-spendable, restricted, committed, assigned, and unassigned as they are needed.

### Cash

Cash for the Corporation consists of demand and non-demand deposits.

### Accounts Receivable

MTASC records a receivable for TSRs and does not accrue interest on unpaid amounts. MTASC has not recorded an allowance for doubtful accounts related to the TSRs and does not anticipate future write-offs.

### Deferred Outflows and Inflows of Resources

In addition to assets and liabilities, the Balance Sheet and Statement of Net Position will sometimes report a separate section for deferred outflows/inflows of resources. The separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period and so will not be recognized as an outflow of resources (expenses/expenditure) until then. The separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period and so will not be recognized as an inflow of resources (revenue) until then.

### Income Taxes

MTASC is a not-for-profit corporation and is exempt from income taxes as an organization qualified under Section 501(c)(3) of the Internal Revenue Code. MTASC has also been classified by the Internal Revenue Service (IRS) as an entity that is not a private foundation. Based on a determination by the IRS, MTASC is exempt from filing a tax return.

### Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

### 3. DEPOSITS AND INVESTMENTS

#### **Investment and Deposit Policy**

MTASC follows an investment and deposit policy as outlined in the Indenture, the overall objective of which is to adequately safeguard the principal amount of funds invested or deposited; conformance with federal, state and other legal requirements; provide sufficient liquidity of invested funds in order to meet obligations as they become due; and attainment of a market rate of return. Oversight of investment activity is the responsibility of the Treasurer of MTASC.

#### **Interest Rate Risk**

Interest rate risk is the risk that the fair value of investments will be affected by changing interest rates. MTASC does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

#### **Credit Risk**

MTASC's policy is to minimize the risk of loss due to failure of an issuer or other counterparty to an investment to fulfill its obligations. MTASC's investment and deposit policy authorizes the reporting entity to purchase the following types of investments:

- Obligations of the United States of America;
- Obligations guaranteed by the United States of America where payment of principal and interest are guaranteed by the United States of America;
- Obligations of the State of New York;
- Special time deposit accounts;
- Certificates of deposit;
- Commercial paper;
- Repurchase agreements limited to obligations of the United States of America, or obligations whose principal and interest are fully guaranteed, or insured by the United States of America. The term of each agreement shall generally not exceed 180 days. The agreement shall be confirmed in writing by the seller, and each security purchased under the agreement shall be specifically identified; segregated from the assets of the seller and delivered for safekeeping into an account designated and controlled by MTASC. Also, each seller shall enter into a master Repurchase Agreement with MTASC which shall specify the rights and obligations of MTASC and the Seller in all transactions;
- Obligations of public authorities, public housing authorities, urban renewal agencies, and industrial development agencies where the general State statutes governing such entities or whose specific enabling legislation authorizes such investments; and
- Obligations issued pursuant to New York State Local Finance Law Section 24.00 and 25.00 (with approval of the New York State Comptroller) by any municipality, school district or district corporation other than MTASC.

### **3. DEPOSITS AND INVESTMENTS (Continued)**

#### **Custodial Credit Risk - Deposits**

Custodial credit risk - deposits is the risk that in the event of a failure of a depository financial institution, the reporting entity may not recover its deposits. In accordance with MTASC's investment and deposit policy, all deposits of MTASC including certificates of deposit and special time deposits, in excess of the amount insured under the provisions of the Federal Deposit Insurance Act (FDIA) shall be secured by a pledge of securities with an aggregate value equal to the aggregate amount of deposits. MTASC restricts the securities to the following eligible items:

- Obligations issued, or fully insured or guaranteed as to the payment of principal and interest, by the United States of America, an agency thereof or a United States government sponsored corporation;
- Obligations issued or fully guaranteed by the International Bank for Reconstruction and Development, the Inter-American Development Bank, the Asian Development Bank, and the African Development Bank;
- Obligations partially insured or guaranteed by any agency of the United States of America;
- Obligations issued or fully insured or guaranteed by the State of New York;
- Obligations issued by a municipal corporation, school district or district corporation of New York State;
- Obligations of any public benefit corporation, which under a specific State statute may be accepted as security for deposit of public monies;
- Obligations issued by states (other than the State of New York) of the United States rated in one of the two highest rating categories by at least one Nationally Recognized Statistical Rating Organization (NRSRO);
- Obligations of Puerto Rico rated in the highest rating category by at least one NRSRO;
- Obligations of counties, cities and other governmental entities of a state other than the State of New York having the power to levy taxes that are backed by the full faith and credit of such governmental entity and rated in one of the two highest categories by at least one NRSRO;
- Obligations of domestic corporations rated in one of the two highest rating categories by at least one NRSRO; and
- Zero coupon obligations of the United States of America marketed as "treasury strips".

As of December 31, 2018 and 2017, the bank balance and carrying amount of MTASC's cash and cash equivalents was \$161,012 and \$90,534, respectively, and was fully covered by Federal Depository Insurance Corporation limits.

### **4. DEPOSITS HELD WITH TRUSTEE**

Funds held by trustee refers to cash held by a third party to satisfy the Corporation's debt service requirements. The funds held by trustee are not subject to the Corporation's Investment and Deposit Policy or collateralization requirements. As of December 31, 2018, and 2017 the amounts held with the trustee were \$13,071,052 and \$12,969,576, respectively.

## 5. BONDS PAYABLE

The Series 2005 and Series 2010 Bonds are secured by a perfected security interest in, and pledge of, the Trust Estate, as defined in the Indenture, which includes, among other things, the TSRs and all investment earnings on amounts on deposit in the accounts established under the Indenture (collectively, the Collections). Among the accounts so established are the Liquidity Reserve Account and the Debt Service Account. MTASC retains TSRs in an amount sufficient to service its debt and pay its operating expenses. The Series 2006 Bonds are subordinate to the Series 2005 Bonds and Series 2010 Bonds.

The Series 2006 Bonds are composed of the following:

- \$14,579,370 Tobacco Settlement Asset-Backed Bonds, Series 2006A (Tax Exempt Turbo Capital Appreciation Bonds), maturity date is June 1, 2061, interest rate of 0.00%, with an accreted value at maturity of \$952,900,000.

The Series 2005 Bonds are composed of the following:

- \$91,120,000 Tobacco Settlement Asset-Backed Bonds, Series 2005A (Tax Exempt Turbo Bonds), maturity date is June 1, 2042, interest rate of 5.00%.
- \$36,665,000 Tobacco Settlement Asset-Backed Bonds, Series 2005B (Taxable Turbo Bonds), maturity date is June 1, 2027, interest rate of 6.00% (\$11,370,000 principal amount remains outstanding as of December 31, 2018 as a result of Turbo Redemption payments which have been made since 2006).
- \$5,386,580 Tobacco Settlement Asset-Backed Bonds, Series 2005D (Tax Exempt Turbo Capital Appreciation Bonds), maturity date is June 1, 2050, interest rate of 0.00%, with an accreted value at maturity of \$71,965,000.
- \$8,923,514 Tobacco Settlement Asset-Backed Bonds, Series 2005E (Tax Exempt Turbo Capital Appreciation Bonds), maturity date is June 1, 2055, interest rate of 0.00%, with an accreted value at maturity of \$202,715,000.
- \$15,625,330 Tobacco Settlement Asset-Backed Bonds, Series 2005F (Tax Exempt Turbo Capital Appreciation Bonds), maturity date is June 1, 2060, interest rate of \$0.00%, with an accreted value at maturity of \$608,700,000.

The Series 2010 Bonds are composed of the following:

- \$63,100,000 Tobacco Settlement Asset-Backed Bonds, Series 2010A (Tax Exempt Turbo Term Bonds), maturity date is June 1, 2041 with an interest rate of 6.25%.

Long-term indebtedness for MTASC's bonds payable consisted of the following:

	<u>2018</u>	<u>2017</u>
Balance - beginning of year	\$ 210,879,794	\$ 211,189,794
Repayments of bonds	<u>(775,000)</u>	<u>(310,000)</u>
Balance - end of year	210,104,794	210,879,794
Add: Accretion of capital appreciation bonds	64,598,654	57,402,259
Less: Bond discount	<u>(1,925,236)</u>	<u>(1,971,075)</u>
Total	<u>\$ 272,778,212</u>	<u>\$ 266,310,978</u>
Payments due within one year	<u>\$ -</u>	<u>\$ -</u>

## 5. BONDS PAYABLE (Continued)

Principal and interest payments based upon the required maturities are as follows for the years ended December 31:

<u>Year</u>	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
2019	\$ -	\$ 9,181,950	\$ 9,181,950
2020	-	9,181,950	9,181,950
2021	-	9,181,950	9,181,950
2022	-	9,181,950	9,181,950
2023	-	9,181,950	9,181,950
2024 – 2028	11,370,000	44,886,450	56,256,450
2029 – 2033	-	42,498,750	42,498,750
2034 – 2038	-	42,498,750	42,498,750
2039 – 2043	118,755,000	28,465,250	147,220,250
2044 – 2048	35,465,000	2,659,875	38,124,875
2049 – 2053	5,386,580	66,578,420	71,965,000
2054 – 2058	8,923,515	193,791,486	202,715,001
2059 – 2061	<u>30,204,699</u>	<u>1,531,395,301</u>	<u>1,561,600,000</u>
	<u>\$ 210,104,794</u>	<u>\$ 1,998,684,032</u>	<u>\$ 2,208,788,826</u>

Required maturities for the Series 2005, Series 2006 and Series 2010 Bonds represent the minimum amount of principal that MTASC must pay as of the specific distribution dates in order to avoid a default. Turbo (accelerated) amortization payments are required to be made against outstanding principal providing that MTASC receives sufficient TSRs to make the Turbo payments.

Under the terms of the Indenture, MTASC is required to maintain certain deposits to fund debt service payments, if needed. Such deposits are included in restricted cash and cash equivalents in the basic financial statements. In addition, MTASC is subject to various debt covenants, including limitations on expenses/expenditures, and compliance with Trustee indenture agreement requirements. MTASC was in compliance with all covenants and indenture agreement requirements at December 31, 2018 and 2017.

Principal payments in the amount of \$775,000 and \$310,000 were made during 2018 and 2017, respectively, in accordance with the Turbo Redemption requirements of the Series 2005B bonds.

### **Interest**

Interest expense on bonds payable was \$16,397,721 and \$15,954,880 in 2018 and 2017, respectively. Cash paid for interest was \$9,205,200 and \$9,237,750 in 2018 and 2017, respectively.

## **6. TRANSACTIONS WITH MONROE COUNTY**

In addition to setting forth the terms and conditions of the sale and purchase of the TSRs, the Purchase and Sale Agreement also provides for separate consideration to retain the County to act as Administrator with respect to the preparation of all reports and other instruments and documents that it is the duty of MTASC to prepare, execute, file or deliver pursuant to the Indenture and the related agreements.

The Purchase and Sale Agreement also contemplates the lease by MTASC of office space and telephone service from the County, and the sharing of overhead and operating services and expenses (including shared employees, consultants and agents and reasonable legal and auditing expenses) on the basis of actual use or value of such services, or otherwise on a basis reasonably related thereto.

The cost to MTASC for the services provided by the County was approximately \$40,000 in each of the years ended December 31, 2018 and 2017.

No residual funds, in accordance with the Amended and Restated Indenture, were transferred to the Trustee and ultimately the County in 2018 or 2017.

## **7. NET POSITION DEFICIT**

MTASC has a deficit in net position as a result of the outstanding bonds. As these bonds are repaid, this will help to reduce the deficit, along with the future revenue streams.

## **8. CONTINGENCIES**

Future TSRs are subject to adjustment based upon tobacco consumption, inflation and other factors. Pursuant to the Indenture, these adjustments and other events could trigger additional debt service reserve requirements.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

March 1, 2019

To the Board of Directors of the  
Monroe Tobacco Asset Securitization Corporation:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities and major fund of Monroe Tobacco Asset Securitization Corporation (MTASC), a blended component unit of the County of Monroe, New York, as of and for the year ended December 31, 2018, and the related notes to the financial statements, which collectively comprise MTASC's basic financial statements, and have issued our report thereon dated March 1, 2019.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered MTASC's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the MTASC's internal control. Accordingly, we do not express an opinion on the effectiveness of MTASC's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING  
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***  
(Continued)

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether MTASC's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
